## **DETAILED ACTION**

## Response to Amendment

Claims 1-32 are pending.

Claims 33-35 have been canceled.

The 35 USC 103 rejection of claims 1-13,15-32 has been withdrawn based on applicant's amendment filed on March 14, 2005.

Claims 14, 33-35 had been previously indicated as allowable subject matter.

## Allowable Subject Matter

Claims 1-32 are allowed.

The following is an examiner's statement of reasons for allowance:

After reviewing applicant's arguments, amendments and conducting an updated search none of the cited prior arts alone or in combination discloses the claimed light wavelength conversion module having the recited limitations of independent claims 1-3, 5-7, 9, 14, 19, 20 and 28.

Regarding claims 1, 10-13, 15,18, 21-27, 29, 30-32,

None of the cited prior arts alone or in combination discloses the structural combination of independent claim 1 of providing a wavelength selecting element, which selects a wavelength of the laser beam that is reflected by the end surface of the bulk type wavelength conversion element, where the laser beam enters the end surface of the bulk type wavelength conversion element.

Regarding claims 2-9, 16, 17, 19, 20 and 28,

None of the cited prior arts alone or in combination discloses the structural combination of independent claims 2, 3, 5, 6, 7, 9, 19, 20 and 28, in particular providing a converging laser beam at the input of a bulk type wavelength conversion element and the beam diverging as it exits the bulk type wavelength conversion.

Regarding claim 14,

None of the cited prior arts alone or in combination discloses the structural combination of independent claim 14, in particular providing on the surface of the reflecting member a thin film narrow band pass filter for wavelength selection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on

Statement of Reasons for Allowance."
